UPHA CHAPTER 16 ACADEMY RULES

The Academy division is for those riders who have never shown in an "A" circuit show. **Helmets are required for riders 17 years and under, in compliance with the 2009 congressional helmet law.**

AGE & DIVISION ELIGIBILITY: For the annual Academy High Point Program, a rider's age is determined on October 1st or each year.

ACADEMY HORSES: Horses in academy classes **MUST** be a lesson horse regularly used in a professionally operated lesson program. The horses must display safety characteristics accordingly. Horses will be excused from the competition for unsafe behavior such as going too fast for a rider to handle. ***Horses are not to be judged, and must be serviceably sound.***

TURN OUT: Required is a plain shod horse, 1 therapeutic pad allowed. No braids or artificial appliances are to be used. Hoof blacking and hunter braiding is optional.

TACK: Horses may be shown in a snaffle bridle with a martingale or german martingale, pelham or full bridle. Saddles must be cutback english saddles, hunt or western according to the division. No tie downs or blinkers allowed, standing martingales for over fences classes are permitted.

RIDER APPOINTMENTS: For the Saddle Seat rider: jodphurs, jodphur boots or paddock boots, long sleeve, button-down or collared shirt, tie and gloves are required. Vests are optional, no derbies allowed. For the Hunt Seat rider: breeches, an appropriate hunt seat shirt, hunt boots, paddock boots or black half chaps with black paddock boots, and gloves are required. For the Western rider: appropriate western shirt, pants, tie, boots, and gloves are required. Chaps or western hats are not allowed. "Polo" shirts are not allowed. Whips and non-rowel spurs are optional. Long hair must be secured back in bun or braid(s).

ACADEMY EQUITATION: judged on the rider's basic equitation skills with correct diagonals and leads, proper use of ring is considered.

ACADEMY SHOWMANSHIP: judged on the rider's horsemanship abilities. It is judged on the rider's ability to control and show his/her horse. The rider's command of the horse, for example, speed, collectiveness, and placement in the ring is to be considered. Walk-trot riders should not be penalized for incorrect diagonals. For walk-trot-canter riders, promptness in finding the correct leads and diagonals is important.

CLASS RULES: Headers allowed in, if needed for safety, no towels or whips allowed in with them. Classes will be split at the 13th rider. Splits will be shuffled to keep equitation and showmanship back to back (i.e.: 1a, 2a, 1b, 2b) Class holds will be 2 minutes in length. **NO EXCEPTIONS.** Holds must be requested 10 minutes before the academy session begins. Gate times will be strictly enforced and as one class exits the next will promptly be called.

WALK/TROT ON THE LINE CLASS: Walk-Trot riders will enter the ring at a walk, be judged on the rail as a group at the walk both in both directions. Riders are to be judged on form and presentation style, trainers may help with diagonals. The class will line up. Each rider and leader will individually trot down one long rail, reverse, and trot back, and then return to the lineup. Trainers may designate a temporary header in the line up so he/she may run with different riders.

NOVICE CLASSES – for each age division and for riders who have not received 3 blue ribbons in any and all academy divisions (exception Lead Line classes).
