Regional for 2021?

Application for Regional in 2021 must be sent in in October.  
Committee decided to send in application but will address  
the possibility of not applying in 2022. Regionals MUST be  
USEF and MUST offer certain Morgan classes which we do  
not have the entries to fill these classes. The club must  
make sure we have awards available for all the classes  
offered and pay for the AMHA plaques given in the open  
championships– which is an added expense if we have no  
entries in those classes.

Canterbury

Alachua County is SUPPOSE to close on the property in  
August. The first thing on their agenda is to upgrade  
bathrooms, ring seating and lighting. The committee will  
address moving the show depending on what improvements  
are done to the facility which will be called Alachua County  
Agricultural and Equestrian Center.

## FROM JOINT LEADERSHIP COUNCIL

The Joint Leadership Council (JLC), comprised of  
representatives of the American Hackney Horse Society,  
American Morgan Horse Association, American Road  
Horse and Pony Association, American Saddlebred  
Association and the United Professional Horsemen’s  
Association, is pleased to report recent actions taken by  
the United States Equestrian Federation Board of  
Directors at its mid-year meeting.

Earlier this year the JLC, working through the USEF  
National Breeds and Disciplines Council (NBDC) and the  
USEF Governance Committee, requested a USEF  
by-laws change that would increase the number of  
trotting breed representatives on the NBDC. At the recent  
USEF Board meeting an increase of three NBDC seats  
was unanimously approved by the Board. This by-law  
change will significantly improve representation for the  
trotting breed affiliates of USEF.

Another positive step taken by the USEF Board was to  
institute a National Equestrian of the Year Award.  
Previously, International and National Breed and  
Discipline athletes have been grouped together for a  
single Equestrian of the Year Award. Historically, the  
International athletes, due to Olympic participation, have  
received more recognition than that given to National  
Breed and Disciplines athletes. With the addition of a  
National Equestrian of the Year Award our breeds and  
disciplines will receive equal consideration for their  
accomplishments. The inaugural National Equestrian will  
be honored at the 2020 USEF Annual Convention in  
Palm Beach, Florida. Please begin to think about a  
worthy nominee from your breed or discipline.

During the USEF Board meeting, a new marketing and  
promotional video was unveiled. The trotting breeds and  
the Saddle Seat discipline were well represented.  
Several examples of our sport were highlighted  
throughout the video. This is a very positive step toward  
the promotion of our breeds and sport to the public.

#### WHAT TO YOU DO FOR FUN OR RELAXATION THAT IS OUTSIDE OF THE HORSE WORLD?

Deb Ferrell- I water ski and snow ski, am an avid reader, love parties, travel as much as possible and get a kick out of being with my granddaughters and kids.

Karen Gardner - I ride ATV's with my husband. We travel to different parks in the area and ride trails and mud.

Glenn Winograd- I LOVE going to work every day. Playing with my kids and dogs and tinkering around the farm.

Sally Ann Lyle - beside any kind of artwork, I enjoy reading and cooking, well, actually just baking (Lean Cuisine can do the other part)

Tom Johnson - I love doing anything with our 7 children. We go camping and travel as often as possible. We also spend as much time as possible at the beach and in our pool.

Kris Cole-I didn't know there was such a thing!  
Anything relaxing with family and friends.

Alicia Davis -Travel - really love to snowmobile - but haven't been able to go lately- attending/watching University of Florida football and basketball, games - time spent with our son Christopher and his family.

Margaret McKnight - I love gardening in our square bale garden, chilling at the beach with family, and volunteering at Sean's school (this year he's in 9th grade and doing marching band! #BandMom

Allison Lockhart - I go to concerts with my friends.

Rick Davis - Dine out at beach restaurants, fishing, trail ride, boating, reading newspaper and magazines.

Diane Tanguay- When not with horses I usually find myself in front of my sewing machine! I do love going up to New England to visit my family in the summer.

Valarie Seimer - Being with family (especially the grandchildren!), riding our bikes, watching Hallmark movies, reading , not doing housework!!
