CLASS DESCRIPTIONS

You do not need to prequalify to enter any championship class.

AMERICAN SADDLEBRED DIVISION

(From the ASHA website)

In the show ring, American Saddlebreds compete in five primary divisions: Five-Gaited, Three-Gaited, Fine Harness, Park and Pleasure. Each division has its own “look” and desired traits; however, all strive to meet the model of an ideal American Saddlebred. They are judged on performance, manners, presence, quality and conformation.

Five-Gaited – Horses competing in the Five-Gaited division display beauty, brilliance, elegance and refinement. The horses perform at speed in an animated form. Horses are shown with a full mane and tail. Protective boots may be worn on the front feet. The horses are judged at the animated walk, trot, slow gait, rack and canter.

Three-Gaited – Horses competing in the Three-Gaited division are the epitome of beauty, brilliance, elegance, refinement and expression. The horses perform in an animated and precise manner. To accentuate the refinement of horses in this division, they are shown with a roached mane and tail. Horses are judged at the animated walk, park trot and canter.

Fine Harness – Horses competing in the Fine Harness division should possess all of the elegance and refinement of the ideal American Saddlebred. As opposed to the Five-Gaited horses, entries in this division work toward animation rather than speed. The horses are shown with a full mane and tail. Protective boots may be worn on the front feet. The horses are judged at the animated walk, park trot and “show your horse.”

Park – Horses competing in the Park division should be stylish with finish and quality and be well-mannered. The horses perform with animated and graceful gaits. Classes may be offered for horses with a roached mane and tail or horses with a full mane and tail. The Park division holds five-gaited, three-gaited and driving classes.

Pleasure – The Pleasure division has been broken down into two sections – Show Pleasure and Country Pleasure. All horses competing in the Pleasure division conform to the typical Saddlebred type. They perform their gaits promptly and in a comfortable manner, giving the distinct impression of an enjoyable ride. Manners are emphasized in this division, and all horses must perform a true, flat walk.

Show Pleasure – Horses competing in Show Pleasure should be alert and responsive to their environment and rider. Generally these horses display less animation than the Three-Gaited, Five-Gaited and Fine Harness Performance horses. Horses are shown with a full mane and tail. The Show Pleasure division offers three-gaited, five-gaited, western and driving classes.

Country Pleasure – Horses in the Country Pleasure division are typically less showy than the Show Pleasure horse and demonstrate easy, ground-covering action. The Country Pleasure horse is shown with a full mane and tail and must be plain shod, suitable for trail riding. A multitude of classes are offered in the Country Pleasure division, including three-gaited, five-gaited, driving, western and hunter classes.

MORGAN HORSE DIVISION

Summer's End is designated an AMHA Star Rated Show.

In addition to the physical characteristics that identify the Morgan, a Morgan is distinctive for its stamina and vigor, personality and eagerness, and strong natural way of moving. Conformation is the degree of perfection of the component parts and their relationship to each other. Correct Morgan type and conformation is the same in each section of the Morgan Horse division where conformation is considered. There is only one standard for type and conformation of the Morgan horse.

Judging Criteria—Most Morgan classes call for type and conformation to be considered 40% and performance 60% in the qualifying classes; and type, conformation, and performance 50% in the championship classes. At all-Morgan competitions, stripping of horses is mandatory in Open and Junior Horse Championship classes under saddle. Exceptions: One horse and Parade classes. Ideal Morgan type and conformation is the same in all classes and all sections of the Morgan division. The other performance criteria considered are quality, manners, presence, performance, cadence and balance, and suitability of horse to rider/driver.

The specific kind of class being judged determines the importance of each criteria in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed.

For example: A horse placed first in a class judged on performance, cadence and balance, quality, and manners could justifiably not be placed first against the same horses if the class were judged on manners, quality, and performance, cadence and balance.

AMHA endorses the concepts regarding protective headgear expressed in the USEF Rule Book. Riders must not be penalized for the wearing of protective headgear in any class.

All Junior Exhibitor classes call for manners and suitability as primary criteria. Judges must select their Junior Exhibitor winners from those horses that clearly portray the attributes of a well-mannered, safe, pleasant horse. If the rider is overmounted or if the horse is not suitable to that rider, it must result in a severe penalty.

The Morgan Horse is shown in a wide variety of disciplines, including: Park Harness and Saddle, English Pleasure & Pleasure Driving, Classic Pleasure & Driving, Western Pleasure, Hunter Pleasure, as well as Carriage Driving, Trail, Dressage, Western Dressage and over fences. For more detailed class/division specifications, please refer to the MorganHorse.com website under Competitions —> Morgan Judging, specifically by downloading a copy of the Morgan Horse Judging Standards.

UPHA Chapter 16 Academy Rules & Regulations

The Academy Division is for those riders and/or drivers who have never shown in an "A" circuit show. Helmets are required for all riders, in compliance with the 2009 congressional helmet law.

AGE AND DIVISION: Membership to the Florida State High Point Program is required for all riders wanting to compete in the Academy classes. A rider's age for the competition year is determined on the dates of the Harvest Days Horse Show.

CLASS RULES: Headers are allowed in if needed for safety, no towels or whips allowed in with them. Classes will be split at the 13th rider. Splits will be shuffled to keep equitation and showmanship back to back (i.e.: 1a, 2a, 1b, 2b). Class holds will be 2 minutes in length. NO EXCEPTIONS. Holds must be requested 15 minutes before the academy session/show begins. Gate times will be strictly enforced and as one class exists the next will be promptly called.

ACADEMY HORSES: Horses in academy classes MUST be a lesson horse regularly used in a professionally operated lesson program. The horses must display safety characteristics accordingly. Horses will be excused from the competition for unsafe behavior such as going too fast for a rider to handle. Horses are not to be judged and must be serviceably sound. No farm/barn affiliation should be visible on the horse, tack or rider.

TURN OUT: Required is a plain shod horse, 1 therapeutic pad and wedge allowed. No Saddle Seat mane braids or artificial appliances are to be used. Hoof blacking and hunter braiding is optional. Any protective leg wraps, knee boots, bell boots, splint boots are allowed, but must be similar color to the horse's body color (i.e. no white wraps allowed unless the horse's body is white).

ACADEMY EQUITATION: Judged on the rider's basic equitation skills with correct diagonals and leads, proper use of ring is considered.

ACADEMY SHOWMANSHIP: Judged on the rider's horsemanship abilities. It is judged on the rider's ability to control and show their horse. The rider's command of the horse, for example, speed, collectiveness and placement in the ring is to be considered. Walk-trot riders should not be penalized for incorrect diagonals. For walk-trot-canter riders, promptness in finding the correct leads and diagonals is important.

WALK/TROT ON THE LINE CLASS: Riders are to be judged on form and presentation style. Walk-Trot riders will enter the ring at a walk, be judged on the rail as a group at the walk both directions of the ring. The class will line up. Each rider and leader will individually trot down one long rail, reverse and trot back and return to the line-up. Trainers may designate a temporary header in the line-up should he/she need to run with another of their riders. In equitation classes diagonals will count, trainers may help with diagonals. In showmanship class, diagonals will not count. If a show only has one Walk/Trot lead line class on the schedule, it is to be conducted as an equitation class.

NOVICE CLASSES: for each age division and for riders who have not received 3 blue ribbons in any and all academy divisions (except Lead Line classes).

ELIGIBILITY TO COMPETE IN THE ACADEMY PROGRAM

Riders and drivers who have competed in any "show rider", USEF, Star Rated, A-circuit classes at any show in any discipline are ineligible to compete in the Academy program and must register FSHP Performance Division program (exception: "A-circuit" level riders may compete in Academy driving classes, also "A-circuit" level drivers may compete in Academy riding classes).

Academy riders/drivers may participate in any open breed schooling shows and still be eligible to compete in UPHA Chapter 16 Academy classes and earn FSHP points as long as these guidelines are followed:

1. If you compete in Academy W/T, you can not canter at any other shows.
2. If you compete at a schooling show in dressage you must only compete in Intro level tests, and not in a jacket. Above intro level, you are considered an "A-circuit" rider, even if it is at a schooling show.
3. If you compete at a schooling show in hunter/jumper classes they must be considered "short" stirrup or "long" stirrup classes.
4. You must submit a copy of the prize list of the schooling show to FSHP to prove it was indeed a schooling show and indicate which classes the rider competed in within 14 days following the competition.

Any questions or concerns can be directed to the UPHA Chapter 16 Academy and FSHP representative at krystle@suncoaststable.com or 813-459-3312.
